24 shirts + embroidered logos + one-time digitizing. Tax and shipping additional.		

How the offer works

24 or more: combine any of these six styles in one order to receive \$5 off each garment, \$8 embroidery per shirt and \$5 initial digitizing.

1-23 shirts: regular garment prices plus \$12 embroidery per shirt; \$35 initial digitizing. Digitizing is charged once for the same approved Zenith design, not on each shirt or unchanged repeat order.

Make it yours

Your selections
Choose the style, color, size and quantity for each team member. Navy and gray pair well with the white Zenith logo. Light shirts need contrasting dark thread.

Logo & placement
Wearer's right chest. Polo logos sit lower, aligned near the bottom of the button placket. The target logo width is 4 inches, subject to the final embroidery proof.

Size & availability
Quoted prices cover S-XL. Confirm 2XL+, XS, tall sizes or women's cuts separately. Supplier stock has not been reserved; final availability and delivery timing require confirmation.

Order confirmation
This offer supports product selection. Final sizes, colors, stock, logo proof, tax and shipping will be confirmed before production.
